

CAMPUS LIONS CLUBS provide the opportunity for the campus community to address the unique needs on their college campus and reach out to the local community and communities around the world.

As a member of a Campus Lions club, you will help determine the types of services the club will provide to help make a difference in the lives of others.

WHO ARE LIONS?

Lions are individuals who work together to answer the needs that challenge communities around the world. The 1.3 million members that serve in over 45,000 clubs from over 200 countries make Lions clubs International the worlds largest service club organization.

Lions are best known for preventing blindness, but also participate in different kinds of projects ranging from assisting the underprivileged to providing supplies to victims of natural disasters.
