Lions Clubs International Foundation Receives 4-Star Rating from Charity Navigator

Oak Brook, Ill., USA, December 4, 2014—Lions Clubs International Foundation (LCIF) has earned its third consecutive 4-star rating from Charity Navigator for its effective fiscal management and its commitment to accountability and transparency.

Founded in 2001, Charity Navigator is the largest and most-utilized charity evaluator in the United States. Charity Navigator examines the financial health, accountability and transparency of charities to determine its ratings. Financial information is based on each charity's 990 tax filing in the United States. Ratings show how well evaluated charities have sustained their programs and services over time.

LCIF's 4-star rating indicates that it consistently executes its mission in a fiscally responsible way. Only 12 percent of the charities evaluated earned a third consecutive 4-star rating. This exceptional distinction means that LCIF outperforms most other charitable organizations in the United States. LCIF donors can be confident their donations are being used in support of the programs for which they are intended.
